

Ref. No. AIX-T/6600/EOI/19-20/3

Date: 26.09.2019

Notice for Expression of Interest for empanelment of New Vendors

The Heavy Electrical Equipment Plant (HEEP), located in Haridwar, is one of the major manufacturing plants of BHEL. The core business of HEEP includes design and manufacture of large steam and turbo generators, condenser and so on.

We are looking for indigenous vendors who are capable of **machining (Milling operation) of ISO-Grid/Ortho Grid sheets of Aluminium Alloy using CNC Router machine for milling of different profiles on plates of size around 5.0 Meter x 3.0 Meter of thickness 3mm to 30 mm. The CNC Router machine to be used for machining should have provision for 5 Axes high speed profiling & routing using suitable attachments & additional axes which can handle Isogrid/Orthogrid milled components** as below:

Sl. No.	EOI No.	Description of Job work	Opening date & Time
1.	AIX-T/6600/EOI/19-20/3	machining (Milling operation) of ISO-Grid/Ortho Grid sheets of Aluminium Alloy using CNC Router machine for milling of different profiles on plates of size around 5.0 Meter x 3.0 Meter of thickness 3mm to 30 mm (photographs attached). The CNC Router machine to be used for machining should have provision for 5 Axes high speed profiling & routing using suitable attachments & additional axes which can handle Isogrid/Orthogrid milled components	19.10.2019 14:00 Hrs. (IST)

The offers received will be technically evaluated by BHEL & successful short listed parties will be considered for our future requirements. Vendors shall confirm that there is no deviation with respect to BHEL PQR. However, deviations, if any are to be listed as a separate attachment. The offers that do not meet the substantial requirements of our specifications/PQR are liable to be ignored.

Following documents/information are to be necessarily filled and submitted along with the technical offer:

1. Details/ Documents in support of PQR/ Technical Requirement as per Annexure-1.
2. Details of Manufacturing Facility (Vendor is required to submit detailed specification, make, model, type of machine, year of manufacturing of machine and a technical brief regarding the process/sequence of carrying out for required operation on component, to be provided by BHEL).
3. Company Profile.
4. Financial report of the company.
5. Past experience along with documentary proof.
6. Vendor to inform estimated delivery time for carrying out complete operation.

Only Technical BID along with the documents mentioned above should be sent and the envelope containing the offer shall be duly sealed and super scribed as "Technical Offer for (ITEM NAME) AGAINST Tender No. **AIX-T/6600/EOI/19-20/3**, Due Date-19.10.2019, SUBMITTED BY (Name of company)".

- This notification shall be published on www.bhel.com, www.eprocure.gov.in and www.bhelhwr.co.in.
- Last date for downloading tender documents shall be 19.10.2019 till 13:30 Hrs. (IST). Tenders will be received up to 13:45 Hrs. (IST) on 19.10.2019 will be considered and opened on the same day at 14:00 Hrs. (IST) in the Tender Room BHEL HEEP, Haridwar.
- Technical Offers complete in all respect must be addressed to "The Tender Room, 4th floor, Main Adm. Building, HEEP, BHEL, Ranipur, Haridwar, Uttarakhand-249403".
- No EMD & Tender fee are to be submitted.
- The Quotation should be from the Principal / Original Manufacturer, failing which the quotation may likely to be ignored. In Case the quotation is submitted through agent, the quotation must accompany original authorization letter.

- Late offers will not be considered in any case. BHEL will not be responsible for any type of postal delay / incomplete information from vendor.
- Amendments / Corrigendum, if any, will be hosted on our web site only.
- For any further details please log on to www.bhel.com or www.eprocure.gov.in or www.bhelhwr.co.in.

Registration process for items required by BHEL is always open at <https://supplier.bhel.in>. Prospective suppliers (including MSEs & owned by SCs/STs) may visit this site and apply for registration in the respective unit.

For & ON BEHALF OF BHEL, HARDWAR

Parvind Singh
Sr. Engineer (AIX-T)

SL.NO.	DESCRIPTION FOR REQUIREMENT	
1.0	PRE- QUALIFYING REQUIREMENTS :	
1.1	<p>Only those vendors, who are capable to takeup machining (milling operation) of Iso-grid/Ortho grid sheets of Aluminium alloy for milling of different profiles using 5-Axes high speed CNC profiling & Routing machine of size/ requirement as below:</p> <p>Aluminium sheet length: 5.0 meter</p> <p>Aluminium sheet breadth: 3.0 meter</p> <p>Aluminium sheet thickness: 3 mm to 30 mm</p> <p>The CNC Router machine to be used for machining should have provision for 5 Axes high speed profiling & routing using suitable attachments & additional axes which can handle Isogrid/Orthogrid milled components.</p>	Vendor to confirm & submit details/ documents showing the required capability.
1.2	Vendor is required to submit following details in regard to the machine to be used for machining of propeller.	
	(a) Type of Machine	Vendor to inform
	(b) Maximum length of job which can be accommodated on machine table	Vendor to inform
	(c) Maximum breadth of the job which can be accommodated on machine table	Vendor to inform
	(d) Traverses of different Linear axes (X, Y & Z). available on the machine	Vendor to inform
	(e) Traverses of different Rotary axes (C & A) available on the machine.	Vendor to inform
	(e) Milling head/ Attachments	Vendor to inform
	(f) No of axes for simultaneous programmed machining.	Vendor to inform
	(g) Size of Machine's Bed and its Weight Capacity.	Vendor to inform
	(h) Clamping system for holding Aluminium alloy sheets of thickness varying from 3 mm to 30 mm.	Vendor to inform
	(i) Detail of CAM software to be used for 5-axes machining.	Vendor to inform
1.3	If a vendor participates on behalf of their principal, the vendor should submit an authority letter from the principal company, authorizing the vendor through a proper signed documents.	Vendor to accept & confirm
1.4	BHEL reserves the right to verify information submitted by vendor. In case the information is found to be false/incorrect, the offer shall not be considered.	Vendor to accept & confirm
