MEDICAL DEPARTMENT

BHE:M 260

DTD: 24.06.2019

SUB: Approval for open tender the contract "filling and supply of Medical oxygen, Carbon di-oxide & Nitrous Oxide gas in BHEL cylinders of type A, B and D" – Reg.

Ref: 1. Administrative Approval Note No: BHE:M:260, dated.25.03.19

2. Approval for floating limited tender Note No. BHE:M:260, dated.17.04.19

3. Comparative Statement: Annexure-P

4. Approval for closing limited tendering process: BHE:M:260, DTD.15.06.2019

5. Detailed estimation, Annexure-1

With the approval of the competent authority a Limited tender with two part bids was floated for "filling and supply of Medical oxygen, Carbon di-oxide & Nitrous Oxide gas in BHEL cylinders of type A, B and D" (Ref- 1 & 2).

Tender enquiry was sent by email and by post to six known vendors out of which four vendors responded.

With due approval (Ref-4), price bid opened on 13.05.19 and comparative statement prepared (Ref-3).

Since the vendors are Non-PMD vendors, the limited tendering process was closed (Ref-4).

Based on administrative approval (Ref-1), it is proposed to float a fresh open tender with two-part bid for the above mentioned contract.

Detailed estimation is as per Annexure-1 (Ref-5)

Limited tender offers are taken as budgetary quotations for this open tender.

Considering the nature of contract based on corporate guidelines it is proposed,

1. To float open tender enquiry in two part bids system. Terms and conditions are enclosed (Annexure -II).
2. To host this enquiry both BHEL website.
3. This expenditure will be booked to the Medical Expenditure head 514050.

This comes under Purchase Policy 2013, Chapter-I, clause 5.2.

Medical Superintendent may kindly approve for floating open tender enquiry in two part bids with total tender value of Rs.3,28,696/- (including GST).

Submitted for approval please,
