TENDER CORRIGENDUM NOTICE

Please refer tender enquiry no FF/SC/P22056/202208681 to be opened as on 17.02.23 for Rough Machining of Shaft Forging, Issue Drg No. F3700 Rev0, Return Drg No. 04D3700 Rev00, quantity 3 through sub-contracting.

Following corrigendum is being issued to above mentioned tender enquiry:

01. Clause No 9 of Annexure A is revised as below:

Existing clause:

Scrap (Chip) generated during machining has to be retained by vendor & same will be treated as sold to vendor by CFFP. Value of scrap and GST on same shall be recovered from the party. Quantum of Scrap for recovery from party shall be calculated on the basis of actual weight basis of casting (Difference of before and after machined weight). Weight measured at CFFP shall be considered as final for calculation of scrap retained by vendor. Recovery of scrap shall be based on actual chip retained by the vendor based on weight measured at CFFP

Revised Clause:

Scrap (Chip) generated during machining has to be retained by vendor & same will be treated as sold to vendor by CFFP. Value of scrap and GST on same shall be recovered from the party. Please note that the weights mentioned in tender enquiry are technological weights mentioned for indication only. The actual weight of forging before machining shall be within +/-10% range of mentioned technological before machining weight. However, quantum of Scrap for recovery from party shall be calculated on the basis of actual weight basis of forging (Difference of before and after machined weight). Weight measured at CFFP shall be considered as final for calculation of scrap retained by vendor. Recovery of scrap shall be based on actual chip retained by the vendor based on weight measured at CFFP.

02. Clause No 2 of Annexure B is revised as below:

Existing clause:

Scrap (Chip) generated during machining has to be retained by vendor & same will be treated as sold to vendor by CFFP. Value of scrap and GST on same shall be recovered from the party. Quantum of Scrap for recovery from party shall be calculated on the basis of actual weight basis of casting (Difference of before and after machined weight). Weight measured at CFFP shall be considered as final for calculation of scrap retained by vendor. Recovery of scrap shall be based on actual chip retained by the vendor based on weight measured at CFFP.

Valuation of Scrap: Rate of scrap applicable for issue of material in the month of Feb-2022 is Rs.36.47 per kg. However please note that scrap rate as on date of lifting of material shall be applicable for orders against this tender. Scrap rate shall be calculated as per annexure 'D' attached with this tender enquiry.

Revised Clause:

Scrap (Chip) generated during machining has to be retained by vendor & same will be treated as sold to vendor by CFFP. Value of scrap and GST on same shall be recovered from the party. Please note that the weights mentioned in tender enquiry are technological weights mentioned for indication only. The actual weight of forging before machining shall be within +/-10% range of mentioned technological before machining weight. However, quantum of Scrap for recovery from party shall be calculated on the basis of actual weight basis of forging (Difference of before and after machined weight). Weight measured at CFFP shall be considered as final for calculation of scrap retained by vendor. Recovery of scrap shall be based on actual chip retained by the vendor based on weight measured at CFFP.

Valuation of Scrap: Rate of scrap applicable for issue of material in the month of Feb-2023 is Rs.36.47 per Kg. However please note that scrap rate as on date of lifting of material shall be applicable for orders against this tender. Scrap rate shall be calculated as per annexure 'D' attached with this tender enquiry.

03. Clause No 4 of Annexure A is revised as below:

Existing clause:

Valuation of Scrap: Rate of scrap applicable for issue of material in the month of Feb-2022 is Rs.36.47 per kg. However please note that scrap rate as on date of lifting of material shall be applicable for orders against this tender. Scrap rate shall be calculated as per annexure 'D' attached with this tender enquiry.

Revised Clause:

Valuation of Scrap: Rate of scrap applicable for issue of material in the month of Feb-2023 is Rs.36.47 per kg. However please note that scrap rate as on date of lifting of material shall be applicable for orders against this tender. Scrap rate shall be calculated as per annexure 'D' attached with this tender enquiry.

Rest terms and conditions of tender enquiry shall remain same.
