Vendors should have a minimum average annual turnover of Rs. 58 lacs for last three fin. years (2011-12, 2012-13 & 2013-14) and should submit audited balance sheet and Profit & Loss Account Sheet of these years. 2. Vendor should have earned profit in at least one year during the last three financial years for which turnover has been considered in '1' above. B. <u>Similar work executed:</u> Vendor should have successfully executed similar job (ref note below) during last seven years ending 28.02.2015. Vendor should produce certification/proof in support of execution of similar package from user/end user and should be either of the following: 1.1 Three similar jobs executed costing (except service tax) not less than Rs. 78 lacs each. - OR 1.2 Two similar jobs executed costing (except service tax) not less than Rs. 97 lacs each. - OR 1.3 One similar job executed costing (except service tax) not less than Rs. 155 lacs. Note: Similar job shall mean: The bidder shall have successfully executed civil work of transmission line/ switchyard/power house predominantly concrete work. <u>Contractor primarily having experience of erection work should meet following criteria:</u> A. <u>Turn Over:</u> 1. Vendors should have a minimum average annual turnover of Rs. 26 lacs for last three fin. years (2011-12, 2012-13 & 2013-14) and should submit audited balance sheet and Profit & Loss Account Sheet of these years. 2. Vendor should have earned profit in at least one year during the last three financial years for which turnover has been considered in '1' above. B. <u>Similar work executed:</u> Vendor should have successfully executed similar job (ref note below) during last seven years ending 28.02.2015. Vendor should produce certification/proof in support of execution of similar package from user/end user and should be either of the following: 1.1 Three similar jobs executed costing (except service tax) not less than Rs. 34 lacs each.
---	--

	OR 1.2 Two similar jobs executed costing (except service tax) not less than Rs. 43 lacs each. OR 1.3 One similar job executed costing (except service tax) not less than Rs. 68 lacs. Note: 1. Similar job shall mean: The bidder shall have successfully executed erection work of transmission line project(s) including tower erection and stringing of 220 kV or higher voltage class transmission line/ erection work of gantry towers in 400kV or above rating substation.
--	--

Note:

1. The word 'executed' means the bidder should have achieved the criteria specified in the PQR even if the total contract has not been completed or closed.
2. Standalone bidder:-The bidder who fulfils all the PQR stipulated above for standalone bidder on their own without any consortium partner.
3. Bidders not satisfying the conditions above for standalone bidder can have consortium for Civil or ETC work of transmission line.
4. Consortium bidder: - The bidder who enters into a partnership with another bidder in order to fulfill the PQR.
5. In order to be qualified for the tender, Prime Bidder and Consortium partner shall satisfy technical and financial criteria of the 'Pre Qualifying Requirements' specified for the their respective area.
6. Prime Bidder and Consortium Partner are required to enter into a consortium agreement with a validity period of six months initially. In case the consortium is awarded the contract, then the Consortium Agreement between the Prime Bidder and Consortium Partner or partners shall be extended till contractual completion period including extension periods if any applicable.
7. Stand alone' bidder cannot become a 'Prime Bidder' or a 'Consortium bidder' in consortium bidding. Prime bidder shall neither be a consortium partner to other prime bidder nor take any other consortium partners. However, consortium partner may enter into consortium agreement with other prime bidders. In case of non compliance, consortium bids of such Prime bidders will be rejected.
8. Number of partners including prime bidder shall not be more than 2 (Two).
9. Consortium bidder should specify the Prime bidder of consortium in their bid, else the bidder who has the major share of work shall be considered as prime bidder.

10. In case customer approval is required, then Prime Bidder and Consortium Partner shall have to be individually approved by Customer for being considered for the tender.
11. Prime Bidder shall be responsible for the overall execution of the contract.
12. In case the Consortium partner back out, their SD shall be encashed by BHEL. In such a case, other consortium partner meeting the PQR have to be engaged by the Prime Bidder, and if not, the respective work will be withdrawn and executed on risk and cost basis of the Prime Bidder. The new consortium partner shall submit fresh SD as applicable.
13. In case the prime bidder withdraws, the whole contract shall be considered cancelled and balance work will be executed at risk & cost of bidders (Prime bidder + Consortium partner)
14. The consortium partner shall submit SD equivalent to 2% of the total contract value in addition to the SD to be submitted by the prime Bidder for the total contract value.
