

Annexure-I**Rev-00**

Sl. No.	Description	Unit	Quantity
	SUPPLY		
1	HTLS (high temperature low sag) conductor with current carrying capacity 420A	km	25
2	66 kV Double Tension string hardware , compression type, with tension clamp, with provision of compressing jumper at one end, suitable for single HTLS conductor	set	36
3	66 kV Single Tension string hardware, compression type, with tension clamp, with provision of compressing jumper at one end, suitable for single HTLS conductor	set	96
4	66 kV Single Suspension string hardware, with armour grip suspension clamp , suitable for single HTLS conductor	set	60
5	66 kV Double Suspension, with armour grip suspension clamp , string hardware suitable for single HTLS conductor	set	6
6	66 kV Single Suspension, string hardware pilot type suitable for single HTLS conductor	set	12
7	66 kV double Suspension, string hardware pilot type suitable for single HTLS conductor	set	3
8	Vibration damper	Nos.	252
9	Repair sleeves, etc. for conductor	Nos.	1
10	Mid span compression joints for conductor	Nos.	1
11	Any other item required for completion of work (bidder to submit boq)	Lot	1
