10.0 BILLING:

10.1The transporter shall submit their bills only after obtaining acknowledgement with seal and signature and date from the receiving authority mentioning weight, no. of parcels/sizes. Billing of the consignments on volume basis can be made only if the volume of the consignment against each LR, RR etc., is not less than 75 cft. The equivalent weight of volumetric consignment shall be at 1 cft=15 kgs. Once the bill is submitted subsequent changes or supplementary bill will not be entertained.

10.2.Bill shall be submitted by the contractor in duplicate to,

- 1.Executive/GI Stores in case of incoming consignments to GI stores.
2. Executive /Shipping in case of outgoing consignments and collection of rejected material.
- 3.Executive /CE-Prod-PPC in case of material movement from BHEL-EDN to BHEL-ESD and vice versa.
- 4 Executive BHEL-ESD for movement of ISRO job.

TENDER TERMS & CONDITIONS FOR LOCAL TRANSPORT CONTRACT 2016-18

10.3 In case of consignment collected on the basis of purchase order, the charges admitted will be based on the actual weight of consignment collected, incase vehicle is returned empty without transporting any material , charges for return of empty vehicles will be admitted as per contract rate specified for this event on proper certification from service utilized agency.

10.4.No payment shall be made on the trips performed for enquiry/availability of materials transporters godown or at suppliers works.

10.5The demurrage charges or any other incidentals charged by transporter for non-collection of the consignments within 48 hrs from the time of collection of LR/RR from BHEL-EDN shall be recovered from the contractor.

11.0 PAYMENT:

The bill will be paid generally within 30 days from the date of submission of the clear bills. The bill should be self-explanatory against the consignments collected. Incase if the contractor delivers

partial material/short supply, BHEL EDN/ESD will not process their bill unless otherwise supported by the certificate issued by the outstation transporter. Similarly incase all the cases as per weight are delivered to BHEL EDN/ESD but the same found to be damaged partly or fully their payment shall not be made till the issue is settled. On the contrary the contractor shall be held responsible for shortage/damage etc., and any financial loss in this regard shall be recovered from the running bills or security deposit of the contractor, therefore sufficient care has to be taken while handling the material. The payment will be made through e-payment(through EFT only).

12 GENERAL CONDITIONS OF THE WORK.

12.1. The contractor's responsibility for this contract will commence from the date of award of contract.

12.2. At any stage during the period of contract if any information furnished by the contractor is found to be false, faulty and misleading etc., such a contract is liable for termination and their EMD /Security Deposit will be forfeited.

12.3.The local transport generally confined to working days during working hours of BHEL-EDN. When it is essential to ply vehicles during holidays or beyond the company working hours , the contractor shall obtain permission of the Executives of concerned dept. for the same in writing. Normally during all working days the contractor is required to deliver the consignments collected on day to day basis before 14.30 hrs. All the consignments are to delivered as per the instructions of Executives /stores to various stores/work centers and are to be duly acknowledged by the concerned in charge with seal, signature and date. Otherwise the collection shall not be passed for payment.

12.4. Contractor/their staff shall report to executive concerned at BHEL-EDN every day by 08.00hours to ascertain the schedule of collection for the day apart from pending collection of LR/RR/RPPs etc., and liaison with concerned departments.

12.5.The contractor should have an office at Bangalore with telephone, e-mail for effective communication and execution of the contract. A liaison personnel is required to be maintained by contractor excluding the crew members who jointly operate for collection /delivery of the consignments.

If the consignment requires any other facility like crane, forklift etc. for loading & unloading, it has to be arranged by the respective dept.

12.13.It is the total responsibility of the contractor to maintain all the road transport regulations, road discipline, proper maintenance of their vehicles etc., including proper insurance cover for vehicle. Necessary documentation like license, tax paid receipts are the total responsibility of the contractor.

In addition to the above While transporting hazardous chemicals, contractor must comply with the requirements of safety instructions as per Motor Vehicle act 1989 and subsequent amendments and take adequate measures for Emergency preparedness. Any failure in this regard during the tenure of the contract is liable for cancellation of the contract.

TENDER TERMS & CONDITIONS FOR LOCAL TRANSPORT CONTRACT 2016-18

Following Main provisions made in the MV Act 1989 relating to "TRANSPORTATION OF HAZARDOUS GOODS" are to be complied with, while transporting hazardous goods by road.

Rule No.	Description
9	Educational qualifications for drivers of goods carriages carrying dangerous or hazardous goods.
129	Transportation of goods of dangerous or hazardous nature to human life.
129A	Spark arrester
130	Manner of display of class labels.
131	Responsibility of the consignor for safe transport of dangerous or hazardous goods.
132	Responsibility of the transporter or owner of goods carriage.
133	Responsibility of the driver.
134	Emergency information panel
135	Driver to be instructed.
136	Driver to report in the police station about accident.
137	Class labels.

12.14.If the consignment is found in open /damaged condition at carrier's godown the delivery shall be taken with open delivery condition certified by the transporter's official or delivery shall be taken in the presence of representative of BHEL EDN/ESD Besides the above, payment of their staff and any loss or damage to their crew while executing the contract or otherwise shall be total responsibility of the contractor. Under any circumstances BHEL shall not be responsible for any loss or damage to property or staff of the contractor.

12.16.The company reserves the right to terminate the contract before the expiry date if the performance of the contractor is not satisfactory. The company also reserves right to avail services of any other contractor for the above job either in part or full during currency of the contract.

12.17.The contractor shall have no claim whatsoever on the company if fixed volume or value of work is not given to them during the currency of contract.

12.18.The contract period of two years may be extended further period from 3 months to two years depending upon the requirement on the same terms and conditions if mutually agreed upon.

12.19.Demurrages incurred due to company holiday or any other reasons like strikes at transporter's godown etc., shall be negotiated by BHEL-EDN/ESD with the transporter and suitable relaxation for duration of collection of 48 hrs shall be accorded by the concerned executive of BHEL-EDN/ESD.

12.20. The contractor who has thus entered into contract should be in touch with the company and collect LR/RR and other relevant document like invoice etc., from concerned on daily basis and should keep constant watch on arrival of goods at carrier's godown and collect immediately after arrival of consignment to avoid demurrage. All the materials should be collected and handed over within 24hours from the time of document is handed over to the contractor.

12.21 From the date of receipt of LR/RR From BHEL EDN/ESD the contractor responsible for any demurrages or penalty imposed by the transporter for not collecting the goods within 48 hours after receiving LR/RR from BHEL EDN/ESD.

12.22. **Penalty:** Although contractor has to collect the material within 48 hours from the time of receipt of the documents from BHEL they shall make all efforts to collect the material same day and deliver to

TENDER TERMS & CONDITIONS FOR LOCAL TRANSPORT CONTRACT 2016-18

stores. In the event of delay in collection and delivery beyond 2 days, penalty of 1% is imposed for delivery between 3 to 5 days, 2% for 6-7 days and 3 % for exceeding 1 week on the basic freight charges.

12.23.No detention charges are payable if the vehicle of the contractor is detained anywhere due to any reasons.

12.24.Modvat copy of invoice should be collected by the contractor at the time of taking delivery from carrier's godown and the same shall be handed over to goods inwards stores along with consignment under acknowledgement from GI Staff in the event of non-availability of Modvat copy with carrier, it shall be intimated to executive-stores (GI) without taking delivery of the consignment

12.25.The Contractor shall ensure delivery of the collected material directly to BHEL without unloading the consignment either in their godown or elsewhere, failing which penal action will be taken against the contractor on this account. Similarly the outgoing consignment taken out of BHEL shall be booked /delivered and shall not be detained at any other place In case any pilferage/ damage is noticed in violation to this condition, the total responsibility shall be on the part of the contractor and the cost of material will be recovered from their running bills/deposit.

12.26. Number of trips to be made on each day will be decided by the Executive of BHEL EDN/ESD.

12.27. Since the time is the essence of the contract, the contractor shall ensure that the documents entrusted to them for collection and delivery of the consignment is carried out on day basis as per the schedule given by BHEL EDN/ESD official and their representatives to avoid delay. Failing which BHEL- EDN/ESD has every right to arrange for collection of the same from other sources and difference in charges incurred in this regard will be recovered from contractors running bills.

12.28.For the purpose of billing the places from where the materials are being received are indicated below as indicative locations.
