(Signature of contractor with seal)

ANNEXURE – I

SCOPE OF WORK & QUANTITY:

- 1- Complete scanning of the blades using 3D scanning equipment will have to be carried out.
- 2- Comparison of scanned image with theoretical 3D model which will be provided by BHEL.
- 3- Optimization of allowances all over the blade so that uniform allowance is available to the extent possible.
- 4- Submission of report in pdf format wherein the allowances available on casting is shown in form of 3D views/images/sketches.
- 5- Any file which is generated containing scanned data will need to be submitted which can be used for analysis purpose on the software provided by vendor.

Description of Work	Unit	Qty.
Marking of Impeller Blade Drg. No. 0-204-07-18403 See Sketch Blade Type 2 at page 16	No.	20
Marking of Impeller Blade Drg. No. 0-204-07-18103 (See sketch blade Type 1 at page 16	No.	20
Marking of Francis Runner Blade Drg. No. 2-204-07-19702 (See Sketch Blade Type 3 at page 16)	No.	50

NOTE: The above mentioned quantities are tentative and may vary depending upon the production of the plant and availability. BHEL shall have the right to modify/amend Contract quantity in view of variation of production Shop.

(Signature of contractor with seal)

ANNEXURE – II

TERMS AND CONDITIONS

(A) GENERAL TERMS & CONDITIONS

1. BHEL shall have the privity of the contract with Contractor only and will give instructions to the authorized representative of Contractor. BHEL has nothing to do or concerned with the employment of workmen working for Contractor. The relationship between BHEL and Contractor will be that of independent entities and nothing herein contained will amount to joint venture, partnership or an employer - employee relationship.
2. The authorized representative of Contractor shall maintain regular contact with the contract executing officer of BHEL and will interact on matters relating to the work awarded under this contract.
3. Respective obligations of Contractor and M/s BHEL are defined in Annexure – II (a).
4. The decision of BHEL regarding interpretation of any of the terms and conditions set forth in this agreement shall be final and binding on Contractor.
5. Schedule / analyzed item rates are liable for correction if there is any omission or typographical or calculation error.
6. In case more than one contractor quotes L1 rates, the work shall be awarded through draw of lottery.
7. BHEL reserves the right to award only a fraction or part of the work given in the bill of quantity.
8. **Mobilization Period:** There would be a mobilization period of 10 days from the date of issue of Work Order.
9. **Modification of Agreement:** The agreement can be modified/amended regarding the Work Order/Contract quantity in view of variation of production of Steel Foundry Plant. Modification of Agreement may also take place in the contract period as it may be shortened or extended in proportion to the production pattern. CFFP/BHEL shall have right to shorten the period of agreement in proportion to the production pattern. The extension of the agreement, if any, shall be made by mutual consent of Parties.
10. **Termination of Agreement:** In the event that either party hereto shall break any substantial and material covenant contained herein, the other party hereto may terminate this Agreement by giving the other party written notice of its intention to do so, which notice shall state the date of termination and the default complained of, and this Agreement shall thereupon terminate on the date so specified which shall not be less than six months from the date of notice, provided that neither party shall be entitled to terminate this agreement if the other party shall cure the alleged default or breach within three months from the date of notice.
11. **Force Majeure:** The parties shall faithfully perform their obligations under this contract without any deviation. Neither party shall be responsible to the other for any breach or non-performance or delay in performance of any of the terms and conditions of this agreement as a result of war, war like operation, insurrection or restraints imposed by Government or Acts of Legislature or other Authority, riots, strikes, lock outs, civil commotion, disturbances, fire, breakdown or accident to machinery or plant, provided that such breach, non-performance or delay from any such cause cannot be prevented by reasonable diligence.

(Signature of contractor with seal)

- 12. Dispute Resolution:** In the event of any dispute or difference relating to the interpretation and application of the provisions of the contract, such dispute or difference shall be referred by either party to the arbitration of one of the Arbitrators in the Department of Public Enterprises to be nominated by the Secretary to the Government of India, incharge of the Bureau, Deptt. of Public Enterprises. The Arbitration Act, 1996 shall not be applicable to the arbitration under this clause. The award of the Arbitrator shall be binding upon the parties to the dispute provided however any party aggrieved by such award may make a further reference for setting aside or revision of the award to the Law Secretary, Dept. of Legal Affairs, Ministry of Law & Justice, Government of India. Upon such reference, the dispute shall be decided by the Law Secretary or the Special Secretary/Additional Secretary when so authorised by the Law Secretary, whose decision shall bind the parties finally and conclusively. The parties in the dispute will share equally the cost of arbitration, as intimated by the Arbitrator.

Work under the contract shall be continued by CONTRACTOR during the arbitration proceedings and no payment due or payable by BHEL shall be withheld on account of such arbitration proceedings.

(B) TERMS AND CONDITIONS SPECIFIC TO TENDER UNDER CONSIDERATION :

1. WORK TIMINGS:

The workmen deployed by Contractor shall adhere to the work timings. Contractor should be ready to work in all three shifts if required. These timings may change as and when required by CFFP, BHEL. Contractor shall ensure that no employee of Contractor will enter to remain on CFFP, BHEL premises unless necessary for fulfilling Contractor's obligations under this contract.

2. INSPECTION AND RECORDS:

Contractor shall personally and exclusively supervise the work quality through qualified employees so as to ensure that the Works under this contract are carried out entirely to CFFP, BHEL's satisfaction.

3. PAYMENT TERMS AND PAYMENT PROCEDURE:

Payments will be made to Contractor on the basis of work carried out by him on production of bills/
Invoice

Contractor has to submit Bills, Measurement Book, duly signed by the authorized persons to the concern department/s in the first week of every month.

Payment shall be released every month within 30 days from the date of submission of bills along with all supporting documents.

Payments will be made after deduction of Income tax at source as per Income Tax Act through e-payment.

Formats / Challan book shall be arranged by contractor in agreement with Steel Foundry CFFP.

4. TAXES & DUTIES:

The Service charge rates are exclusive of service tax and all other taxes and duties.

- 5.** Vendor will have to bring his complete equipment whatever necessary including all hardware and software for on-site scanning of castings/patterns/moulds.
- 6.** Necessary power connections shall be provided by CFFP. The requirement of the same needs to be specified by vendor in their offer. Any other requirement must be clearly specified alongwith the offer.

(Signature of contractor with seal)

Tender. No.: FF/16/PSF/RV/WC/11

7. Vendor may install the analysis software into one of the PCs in CFFP free of charge for the period of contract.
8. The tools being used for measurement should be calibrated and copy of the calibration certificate along with validity period should be submitted at the time of offer.
9. Call for scanning work shall be given in lots of 2-3 Nos. of large blades and 4-5 Nos. of small blades. The call shall be given through email.
10. Vendor will have to start the inspection within 3 working days of call for their service. The report will have to be submitted latest by next day of scanning of the blades.
11. Vendor will have to inform about the date of visit, names of persons visiting and details of equipment carried by them during each visit for scanning at least 24 hours in advance.
12. 3D scanning work will have to be done in the environment generally prevailing in steel foundries. It is not feasible to provide completely controlled temperature and humidity conditions. At best, the jobs can be kept at an isolated spot within the shop floor where the other activities like grinding, welding, etc is not being done.
13. Vendor will need to sign a non-disclosure agreement regarding confidentiality and use of CAD data provided by BHEL as well as the scanned data.

14. PENALTY CLAUSE

- i) Completion of work shall be strictly as per time limit specified in the contract. Failure to complete the work within the scheduled time, the contractor will be liable to pay penalty / LD of ½ the percentage of left out work per day. Penalty/ LD shall be maximum 10 %.
- ii) In case the contractor makes delays in commencing the work within the time specified by BHEL in spite of a reasonable notice in writing, OR in case the contractor fails to Comply with any of the terms and conditions of the contract inspite of reasonable notice in writing or in case he neglects or refuses to execute the contract or any part thereof at any stage, the contract shall, without prejudice to any other rights or remedies available to BHEL, be liable to be cancelled / terminated in part or as a whole. In the event of cancellation / termination, the contractor shall be liable to compensate BHEL for all losses incurred by BHEL, including the loss suffered on account of having the work executed through any other contractor or department as may be Convenient to BHEL in accordance with the exigencies of the work. In case only a Part of the contract is cancelled the remaining portion of contract may be allowed to be executed by the contractor.

- 15. GIVEN SCOPE OF WORK** The given scope of work, details out the major activities only. However there may be certain other activities required for completion of the desired work, such related activities will have to be carried out without any extra cost. Also any activity of rectification or rework due to any reason will be done by the contractor without any extra cost.

(Signature of contractor with seal)
