Additional Requirements for BHEL TENDER with Ref: ENFFM19033

- 1. This Tender shall be finalized on 'Packages-wise basis' (a total of 18 Packages and 40 Items) as mentioned in the 'Tender Annexure'.*
- 2. The Rates shall be quoted Item-wise only but evaluation of Offers to arrive at L1 shall be done on 'Packages-wise basis' for all 18 Packages. After tender finalization, separate POs shall be released for each of the 18 Packages even if the same Vendor is L1 for multiple Packages.*
- 3. Within a Package, there shall be no provision for filling the Rates partially (i.e. in a Package, the Rates shall be quoted for all Items in that Package). Offers submitted against a Package shall be considered only if the Vendor has quoted a valid price for all the Items in that Package.*
- 4. The Rates quoted shall be valid for a period of 6 months (from the date of Part-1 Opening) and the POs for each Package shall be released based on our own project requirements within the validity period. Such POs released for each of the total 18 Packages shall be for the entire tender quantity only and shall not be split (i.e. for a given 'Package', only one PO shall be released within the validity period of 6 months).*
- 5. Delivery Schedule (from the date of PO): It is Staggered and shall be 12 Weeks for 50% of the tender quantity and another 12 Weeks for the balance 50% quantity. However, Supplies for the balance 50% quantity shall resume only after completion of the first 20 Weeks. Any supply of the balance 50% quantity within 20 Weeks from the date of PO shall be liable for 'Rejection' at BHEL.*
- 6. Dispatch Procedure: Since the POs shall be released for each Package separately, any dispatch shall also be made on 'Packages-wise basis' (for example, if a PO contains Body, Gland Flange and Yoke, all the three Items shall be supplied concurrently in proportion to their order quantity). If supply is not made concurrently as indicated, the supplies shall be liable for 'Rejection' at BHEL.*
- 7. The Tolerance applicable on the order quantity shall be +/-10% only.*
- 8. LD Terms: Since the delivery schedule is 'staggered', the Liquidated Damages shall be 0.5% of the undelivered portion per week of the delay or part thereof subject to a maximum of 10% of the total order value.*
