2.44	LANGUAGE: All documentations and correspondence regarding the contract shall be in English language.
2.45	DOCUMENTS MUTUALLY EXPLANATORY: Except if and to the extent otherwise provided by the contract, the provisions of special Conditions of contract shall prevail over General Conditions of Contract and over those of any other documents forming part of the Contract. Subject to the foregoing, various documents forming the Contract are to be taken as mutually explanatory of one another. In case of ambiguities or discrepancies the same shall be explained and adjusted by the Engineer who shall thereupon issue to the contractor instructions directing in what manner the work is to be carried out. Otherwise, the order of precedence shall be Purchase order, LOA / LOI by Purchaser, Specific Conditions of the Contract, General Conditions of the Contract, tender and offer.
3.0	GENERAL INSTRUCTIONS :
3.1	Tenderers are advised to study all the tender documents carefully. Any submission of tender by the tenderer shall be deemed to have been done after careful study and examination of the tender documents and with full understanding of the implications thereof. The specifications and terms & conditions shall be deemed to have been accepted unless otherwise specifically commented upon by the tenderer in his offer. Non-compliance with any of the requirements and instructions in the Tender Enquiry may result in rejection of the tender.
3.2	NO RESPONSE: Non-Response from vendor against the enquiry will be deemed as vendor is not interested to quote for the Material / equipment under consideration. Any changes to NIT conditions during the processing of the enquiry will not be intimated to such vendors.
3.3	REGRET : If any vendor regrets to quote against the enquiry giving specific reason for the regret, then subsequent changes to NIT conditions, if any, which impact the reason for regret, will be intimated to such vendors
3.4	Tenders received after the Due Date and Time of submission shall be rejected.
3.5	Unsolicited tenders will not be entertained.
3.6	PRICE VALIDITY : Vendors' offers shall be submitted with the following validity periods: i) Original offer shall be valid for 90 days from Part-I opening. ii) If revised price bid/ price impact is asked by BHEL, the validity of the same shall be 60 days from the date of price bid opening or 90 days from Part-I opening, whichever is later. iii) For the enquiries where unit prices are called for scope addition/ deletion, these unit prices shall be valid till end of execution of contract with end-user for equipment supplied by the vendor.
4.0	INTEGRITY PACT: Integrity Pact (IP) will be applicable for all tenders/ contracts valuing

	ENQUIRY NO. T7D1R14674	

	more than Rs.10crores unless otherwise specified elsewhere. Integrity Pact document shall be issued as part of tender and shall be returned by bidders along with their techno-commercial bids, duly signed by authorized signatories. Only those vendors/bidders who enter into Integrity Pact with BHEL would be qualified to participate in the bidding process.
5.0	SCOPE OF CONTRACT: The scope of work, if not otherwise mentioned in the contract, shall be on the basis of a single contractor's responsibility, completely covering all Technical Specifications referred in and including accompanying Technical Specification. Some of the salient features are hereunder.
5.1	Detailed design of all the equipment and subsystem and work as per specification.
5.2	Complete manufacture / Procurement of all the equipment / subsystem including shop testing and assembly as per specification.
5.3	Providing of special tools and tackles and services necessary for satisfactory execution of the contract.
5.4	Providing engineering drawings, data sheets, operation manual, etc.
5.5	Packing and transportations of the Goods from the manufacturer's works to the site.
5.6	Performance testing and obtaining site certification regarding satisfactory performance as per Specification, where applicable and as prescribed in the Contract documents and/or mutually agreed upon by BHEL/ Purchaser and the Contractor
6.0	PRICE EVALUATION CRITERIA
6.1	Tenders will be evaluated on the basis of total cost to the Purchaser. In case of foreign bidders, the quoted FOB price shall be loaded by following factors to arrive at total FOR Site price : a) Marine freight and insurance up to Port of Entry - @ 3% of FOB value for despatches from Europe/ Asia/ Australia/ African continent and 5% of FOB value for despatches from USA/ American continent. b) Custom Duty (including CVD & SAD) as prevailing on date of price bid opening. c) Port handling/ clearing charges - @ 1% of CIF value. d) Inland freight and Insurance - @ 3% of CIF value.
6.2	LOADING FOR COMMERCIAL TERMS DEVIATION: Deviations on Commercial terms from NIT are generally not acceptable. In case of deviations from NIT w.r.t. Payment terms, the price will be loaded at Base rate of SBI (as applicable on the date of bid opening / Techno-commercial bid in case of 2 part bids) + 6% for the period of relaxation sought by the bidders. In case of deviations from NIT w.r.t. LD, the price loading shall be as per clause 13.2.5
7.0	CONTRACT PRICE (UNLESS SPECIFIED OTHERWISE IN SPECIFIC CONDITIONS OF CONTRACT)
7.1	The contract price is the agreed sum of money stated in the contract documents to be paid to the contractor for the successful completion supply and execution of the works in accordance with the terms of the contract documents. The contract price shall be for the entire scope of the work with the break-ups as specified.
7.2	The individual item rates or lump sum price as the case may be, in the schedule of this contract shall be deemed to be firm for the entire period of the Contract or extended period of contract and no escalation in the rates or price shall be permissible for any reason whatsoever unless otherwise specified.
7.3	The contract price shall not be varied in respect of the fluctuations in rate of wages or allowances payable to the labour or in the cost of materials, consumables, water, fuel, power or for anticipated profit or alleged losses or for any other reason whatsoever.
8.0	TAXES, DUTIES, FREIGHT & INSURANCE CHARGES - Refer to Specific Conditions of the Contract for details
9.0	QUANTITY VARIATION (Unless specified otherwise in specific conditions of contract)
9.1	BHEL shall have the right to increase / decrease bid quantities up to 10% and bidder shall be bound to accept the same at the final bid unit rates without any escalation.
9.2	Unit rates of detailed BOQ list, where applicable, shall be valid till contract completion.
9.3	Transport: If for any reason, the contractor has to resort to a mode of transport other than what was contemplated by them at the time of tendering to keep up the completion schedule and consequently has to incur more expenditure, BHEL will not under any circumstances reimburse such extra expenditure and price will not exceed the firm contract / order price.
10.0	STATURORY VARIATIONS

VOLUME - IA	GENERAL CONDITIONS OF CONTRACT	7 of 20
	ENQUIRY NO. T7D1R14674	

	(UNLESS SPECIFIED OTHERWISE IN SPECIFIC CONDITIONS OF CONTRACT)
10.1	It is the responsibility of the bidder to inform themselves of the correct rates of customs or other duties or taxes applicable on the materials at the time of tendering. If the rates assumed by the bidder are less than the correct rates prevailing at the time of tendering the bidder will be responsible for such errors.
10.2	No variations on customs duty / exchange rate / minimum wages, prices of controlled commodities or any other input shall be payable by BHEL.
10.3	Notwithstanding the above, where the actual completion of the supply occurs beyond the period stipulated in the order/contract, variations referred above will be limited to the rates prevailing on the dates of the stipulated contractual completion period only. For variations after the contractual completion period, the bidder alone shall bear the impact if it is upward revision and if it is downward revision BHEL shall be given credit to the extent. This will be without prejudice to the levy of penalty for delay in completion.
11.0	TERMS OF PAYMENT : For all items of package as per rate schedule of main supply, payment shall be made as per terms mentioned in SCC
12.0	TIME (THE ESSENCE OF CONTRACT)
12.1	The time and date of material supply completion stipulated in the contract Documents shall be deemed to be the essence of the Contract. The Contractor shall so organise their resources and perform so as to complete the work not later than the aforesaid date of completion. The contractor shall commence the works and shall proceed with the same with due expedition and without delay except as may be expressly sanctioned or ordered by the Engineer. If the contractor fails to commence the work or organize his resources to enable delivery of supplies within the stipulated time, BHEL at their sole discretion will have the right to cancel the contract. In such an event the contractor's security deposit with BHEL will stand forfeited without any further reference to the contractor, without prejudice to any and all of the BHEL's other rights and remedies in this regard.
12.2	MISTAKE IN DRAWINGS: The Engineer shall have the right at all reasonable times to inspect at the office / premises of contractor all shop and / or detailed drawings of the works or any portion of the works. The Contractor shall be responsible for and shall undertake without any commercial implications, any alternations of the work due to any discrepancies, errors or omission in the drawings or other particulars supplied by him whether such drawings or particulars has been approved by the Engineer or not, provided that such discrepancies, errors or omissions be not due to inaccurate information or particulars furnished to the contractor by the Engineer, in which event BHEL shall pay for any alternations of work necessitated by reason of inaccurate information supplied by the Engineer to the Contractor.
13.0	DELIVERY FAILURE TERMINATION/ PENALTY (UNLESS SPECIFIED OTHERWISE IN SPECIAL CONDITION OF CONTRACT)
13.1	It should be clearly understood by the Contractor that time and the date of delivery of despatch stipulated in the order is the essence of the contract, If the contractor fails to complete the order within the time fixed in the order, or within any extension of time granted by BHEL, it shall be lawful for BHEL to recover damages for breach of order without prejudice to any other rights and / or remedies provided for, in the order and hereunder. To be entitled to impose such damage, BHEL will not be required to prove that he has incurred such amount as actual damage.
13.2	DELAYED DELIVERY (LD) / PENALTY
13.2.1	Supply: A sum equivalent to half percent (1/2%) of the order / contract price, excluding elements of taxes, duties freights etc., per week or part thereof subject to a maximum of ten percent (10%) of total order/contract price of the complete order, if the contractor has failed to deliver any part of the scope of order within the period fixed for delivery of the same.
13.2.2	BHEL shall deduct the amount of such compensation from any money due or which may become due to the vendor and/or recover such compensation from the bank guarantees / security deposit of the vendor. To be entitled to impose such compensation, BHEL will not be required to prove that they have incurred such amount as actual damage.
13.2.3	Subject to force majeure, if vendor fail to complete the scope of tender within aforesaid completion period, BHEL shall have the right to cancel the order / contract or a portion thereof at the risk & cost of the vendor and the vendor shall be liable to BHEL for any excess costs thereof.

VOLUME - IA	GENERAL CONDITIONS OF CONTRACT	8 of 20
	ENQUIRY NO. T7D1R14674	

13.2.4	The vendor shall continue the performance of the order / contract under all circumstances, to the extent not cancelled.
13.2.5	Change in Penalty terms: If any bidder is not agreeable to the above LD/penalty terms, then the bid evaluation shall be done after loading the price quote of such bidder to the extent of percentage of LD/penalty not agreed to by the bidder.
13.2.6	Penalty amount so determined along with applicable GST thereon shall be recovered.
13.2.7	The applicable GST shall be recovered additionally on LD/Penalty levied as per relevant clause of GCC. GST invoice shall be issued by BHEL to vendor for such LD/Penalty
14.0	COMPETENCE AND GUARANTEES
14.1	Contractor shall have sound technical and financial capabilities and possess recognised experience in executing the works of similar kind and magnitude. The contractor shall properly fill in the various schedules and proforma prescribed in the tender documents. Non submission of the information in the prescribed schedules and proforma and within the time prescribed may lead to rejection of the bid.
14.2	CONTRACT PERFORMANCE BANK GUARANTEE : As per Specific Terms of Contracts
14.3	PERFORMANCE BANK GUARANTEE : As per Specific Terms of Contracts
15.0	DELIVERY TERMS: When the goods are ready for shipment BHEL / owner should be notified by the contractor through Email. Notification of delivery in regard to each and every consignment shall be made to the owner/BHEL at least 48 hours ahead of actual delivery, enabling arrangements for its receipt at the site. The contractor shall further supply to the consignee a priced invoice and packing list of all goods delivered or despatched by them and other shipping particulars. All packages, containers, bundles and loose materials forming part of each and every consignment shall be described fully in the packing list, and full details of the contents of packages and quantity of goods shall be submitted to enable the consignee to check the goods on arrival at destination.
16.0	INSPECTION (at works and site) AND SHOP ASSEMBLY
16.1	The manufacturing, assembly and Inspection shall be as per the Standard Quality Assurance Plan (QAP), if any, issued along with the enquiry.
16.2	If Standard QAP is not included in tender documents, the vendor shall submit quality assurance plan (QAP) within 28 calendar days of receipt of order / LOI, which will be commented / approved by Engineer / Consulting Engineer within a scrutiny period of 10 calendar days after receipt from the vendor.
16.3	Wherever the contract requires shop assembly of various components at vendor works, the Shop assembly to the largest extent feasible shall be performed by the contractor to assure proper fitting of the various parts and for checking the correctness of clearances and dimensions. Parts where dismantling for shipment / other exigencies is required, shall be dis-assembled and match - marked for reassembly at the site. Dismantled shipment of a PO line item shall be strictly as per BBU agreed with the Purchaser and incorporated in applicable QAP approved by BHEL.
16.4	No Goods shall be shipped before all tests and inspection have been carried out according to the approved Quality Assurance Plan unless otherwise instructed by BHEL.
16.5	The acceptance of any Goods prior to shipment shall in no way relieve the contractor of any of his responsibilities for meeting all the requirements of the specification and shall not prevent subsequent rejection if such Goods are found to be defective.
16.6	BHEL/ owner and their duly authorized representative shall have the power at all reasonable times to inspect drawings of any portion of the work or examine the materials and workmanship of the Equipments/ items during its manufacture
16.7	Such inspection, examination and testing shall not relieve the contractor from any obligation under the contract.
16.8	BHEL engineer shall, on giving seven (7) days' notice in writing to the contractor setting out any ground of objection which he may have in respect of the plant/equipment /work, be at liberty to reject any drawings and all or any plant or workmanship, subject to any of the said ground of objection, which in his opinion are not in accordance with the contract / order. The contractor shall give due consideration to such objections and shall either make the modifications that may be necessary to meet the said objections or shall satisfy the engineer that no modifications are necessary to comply with the contract/order.
16.9	The contractor shall give the engineer and his duly authorized representatives notice of any material being ready for testing (all standard shop tests physical and chemical tests required by the standards or as may be prescribed or approved by the engineer), and the engineer or the said representative shall (unless the inspection of tests voluntarily

	waived) on giving reasonable previous notice in writing to the contractor attend at the contractor's premises (as the case may be) within twenty (20) days of the date on which the material is notified as being ready, failing which the contractor may proceed with the tests which shall be deemed to have been made in the engineer's presence. The engineer reserves the right to waive any of the above tests requirements and to prescribe new tests required if found necessary to expedite the work or to confirm to the latest and best practice. Definition, method of measurement, calibration of inspection, measuring and test equipment and required procedure as referred in the above standard and / or those approved by the engineer and equivalent shall be followed. The contractor shall forthwith forward to the engineer duly certified copies of the test certificates in quadruplicate for approval. Further copies of the shop test certificate shall be bound with the instruction manuals.
16.10	In all cases where the order/ contract provided for tests/ inspections whether at the premises or works of the contractor or any sub-contractor, the contractor, except where otherwise specified shall provide free of charge to BHEL such labour, materials, electricity, fuel, water, stores, apparatus, inspection measuring and test equipment as may reasonably be required to carry out efficiently such tests of the equipment/ plant, in accordance with the order/ contract and shall give facilities to the engineer or his authorised representative to accomplish such testing.
16.11	The contractor shall maintain & ensure necessary safety measures as required for inspection and tests like HV test, Pneumatic test, Hydraulic test, Loan test Spring test, Bend test etc, of his/his subcontractors works to enable inspection Agency for performing inspections. If any test equipment is found not complying with proper safety requirements, then the inspection agency may withheld inspection, till such time desired safety requirements are met.
16.12	INSPECTION MEASURING AND TEST EQUIPMENTS (IMTE)/ MMD
16.12.1	Inspection measuring and test Equipments (IMTE) whether used by the contractor or his sub-contractor shall be calibrated, maintained and controlled. Calibration shall be valid and IMTE shall be in sound condition during usage.
16.12.2	In addition to above, contractor shall ensure the following.
16.12.2.1	Measurement uncertainly is known and consistent with required measurement capability of the IMTE.
16.12.2.2	Selection of IMTEs is compatible with the necessary accuracy precision of required measurement.
16.12.2.3	IMTEs are calibrated at the required intervals against certified equipment having known valid relationship to nationally recognised standard/ recognised calibration labs.
16.12.2.4	Calibration records are available and traceable to the particular IMTE.
16.12.2.5	In case during recalibration, the IMTE is found out of calibration, report on action taken to validate the previous results along with both calibration records of the IMTE should be furnished to BHEL. NOTE: BHEL decision on acceptability of the product in such case shall be binding.
16.12.2.6	IMTEs are stored, handled and preserved such that accuracy and fitness are maintained and safeguarded from adjustments.
16.12.2.7	Responsibility of usage of valid and calibrated IMTEs by sub-contractors shall be of the contractor.
16.12.2.8	In case calibration records are required by owner/ BHEL, copies of the same shall be furnished.
17.0	MATERIALS AND WORKMANSHIP
17.1	All Goods to be supplied and all works to be done by the Contractor under Contract shall be manufactured and executed in the manner stipulated in the specification or where not specified, to the satisfaction of the Engineer.
17.2	All materials used in the manufacture of the plant/equipment/system shall be selected from the best available for the purposes of strength, durability, best engineering practice, and freedom from defects, These materials should be of recent manufacture and unused. Liberal factors of safety shall be used throughout the design and especially in the design of all parts subject to alternating stresses or shocks.
17.3	All the work shall be performed and completed in a thorough work-man like manner and shall follow the best modern practice in the manufacture of high grade equipment notwithstanding any omission in the Specification.
17.4	Castings shall be free from blow holes, flaws, cracks or other defects and shall be smooth, close – grained and of true forms and dimensions. No plugged or filled –up

	holes or other defects will be allowed. Such castings are liable to be rejected. However, the Contractor may rectify minor casting defects by welding or other method in accordance with the standard manufacturing practice provided such rectifications does not affect the strength of the casting or impair the efficient working of the Plant and prior approval of BHEL is obtained for the same.
18.0	COMPLETENESS OF EQUIPMENT
18.1	The equipment shall be complete in every respect with all mountings, fixtures and standard accessories which are normally supplied even through not specifically detailed in the Specification. The Contractor shall not be eligible for any extra payment in respect of such mountings, fittings, fixtures and accessories needed for safe operation and handling of the equipment as per applicable codes of the country, though they may not have been included in the Contract.
18.2	Parts of all similar equipment supplied shall be interchangeable with one another.
18.3	All the equipment supplied under this contract shall be subject to BHEL/owner's approval according to applicable stipulations set-forth in the specifications.
18.4	If while BHEL installing the equipment supplied by vendor, any part of the equipment is found defective or with sub-assembly mismatch, the Engineer shall give the contractor notice setting forth particulars of such defects or mismatch, and the contractor shall forthwith make the defective equipment good by free replacement or alter the same to make it comply with the requirements of the contract without any commercial implication to BHEL. Should he fail to do so within a reasonable time, BHEL after giving seven (7) days written notice may reject and replace at the cost of the contractor the whole or any portion of the equipment, as the case may be, which is defective or fails to fulfil the requirements of the contract.
19.0	REJECTION OF DEFECTIVE SYSTEM
19.1	If the completed system or any portion thereof before it is taken over (under clause taking over) or during the guarantee / warranty period, be found defective or fails to fulfil the requirements of the contract, the Engineer shall give the contractor notice setting forth particulars of such defects or failure, and the contractor shall forthwith make the defective system good by free replacement or alter the same to make it comply with the requirements of the contract without any commercial implication to BHEL. Should he fail to do so within a reasonable time, BHEL after giving seven (7) days written notice may reject and replace at the cost of the contractor the whole or any portion of the system, as the case may be, which is defective or fails to fulfil the requirements of the contract. The contractor's full and extreme liability to BHEL under this clause shall be difference, if any between the replacement price of the equipment (including charges for erection and supervision of erection) and the original contract price including charges for erection and supervision of erection, in respect of such defective system.
19.2	In the event of such rejection, BHEL shall have the right to operate any and/or all equipment as long as it is in operating condition, whether or not, such equipment has been accepted as complete and satisfactory, except that this shall not be construed to permit operation of any equipment which may become damaged by such operation before any required alterations or repairs and /or replacements have been made. All repairs or alterations or replacements required of the contractor shall be made by the contractor at such times as directed and in such a manner as will cause the minimum interruption in the use of the equipment. Should the contractor not so replace the rejected system within the time frame as directed by the engineer to meet the requirement of the specification, the contractor's full and extreme liability under this clause will be satisfied by the repayment of all money paid by BHEL to him in respect of such system.
19.3	Nothing in this clause shall be deemed to deprive BHEL or, effect any right under the contract which he may otherwise have in respect of such defects or deficiencies or in any way relieve the contractor or his obligation under the contract.
20.0	TAKING OVER: Upon successful completion of all the tests to be performed at the site on equipment, systems and material supplied by the contractor and on completion of successful trial run, where applicable, BHEL shall issue to the contractor a taking over certificate. Issuance of such certificate shall not be reasonably withheld on account of minor omissions or defects which do not affect the satisfactory operation and / or causes any serious risk to the equipment and systems, provided the contractor gives an under taking to rectify such defects / omissions within a reasonable period time.

	binding on the parties to this contract.
30.6	In the event of the arbitrator dying, neglecting or refusing or resigning or transferred or being unable to act for any reason or his award being set aside by the court for any reason, it shall be lawful for the GM or his successor, as the case may be, either to act himself as the arbitrator or to appoint another arbitrator in place of outgoing arbitrator in the matter aforesaid.
30.7	The arbitrator may from time to time with the consent of both the parties to the contract enlarge the time for making the award.
30.8	Work under the contract shall continue during arbitration proceeding unless BHEL shall order the suspension or termination thereof or any part thereof of the work or any portion of the work.
30.9	Subject arbitration as aforesaid, shall be conducted in accordance with the provision of The Arbitration & Conciliation Act, 1996 or any statutory modification or re-enactments thereof and the rules made thereunder and for the time being in force shall apply to the arbitration proceeding under the clause. The jurisdiction of the arbitration, if any, shall only be Hyderabad.
31.0	CONTRACT AGREEMENT, EFFECT AND JURISDICTION (if applicable)
31.1	The contractor shall within 60 days from the date of LOI/P.O. but in any case before submitting his first bill for payment enter into and execute a contract agreement (to be prepared at the cost of the contractor). In the event of the failure of the contractor to execute the contract agreement within the time specified above, BHEL may cancel the LOI and forfeit his SD unless this period is extended by BHEL.
31.2	The agreement will be signed in seven (7) originals and the contractor shall be provided with one (1) signed original and the rest will be retained by BHEL. These General conditions together with the specifications, tenders drawings and technical particulars, tender data with subsequent agreed modification thereof. Tender, all correspondences with BHEL and signed agreement and other supporting documents shall constitute the contract document(s) No variation or modification of terms and conditions of the contract documents or waiver of any of these terms and conditions shall be deemed valid unless agreed in writing and signed by the BHEL and the Contractor.
31.3	The failure of either party to endorse at any time of the provisions of the contract or any right thereto or to an option herein provided shall in no way be construed to be a waiver of such provisions, rights or option or in any way to affect the validity of the Contract. The exercise by either party or any of his rights herein shall not preclude or prejudice either party from exercising the name or any other right in may have hereunder.
31.4	The contract shall in all respects be deemed to be and shall be construed and shall operate as an Indian contract as defined in the Indian Contract Act 1972 and all payments there under shall be made in Indian Rupees unless otherwise specified.
31.5	The Contract shall be considered to come into force on the date of notification of Award by BHEL to the Contractor which may be in the form of a Fax of Award or Letter of Intent / purchase order.
31.6	The law applicable to the Contract shall be the law in force in India. The Courts of Sangareddy/Hyderabad under this contract shall have exclusive Jurisdiction in all matters arising under this contract, including Arbitration Awards.
32.0	DIRECT TAX
32.1	BHEL shall not be liable towards income tax of whatever nature including variations thereof arising out of this order/contract as well as tax liability of the contractor and his personnel.
32.2	Deductions of tax at source at the prevailing rate shall be effected by BHEL before payment as a statutory obligation.
33.0	PATENT RIGHTS
33.1	The Contractor shall defend any claim which allege in a suit of proceeding against BHEL that equipment or any part thereof constitutes an infringement of any patent, if notified promptly in writing and given authority, information and assistance for the defence and the Contractor shall pay all damage and costs awarded against BHEL in such suit or proceeding for the patent infringement and the use of equipment or part is prohibited, the contractor shall, at his own expenses either procure for BHEL the right to continue using the equipment or replace the same with a non-infringing equipment, or modify it so that it becomes non-infringing, or move the equipment and refund the Contract Price plus the transportation and installation costs thereof.

	ENQUIRY NO. T7D1R14674	

33.2	The contractor shall indemnify BHEL from and against all claims and proceeding for or on account of infringement or alleged infringement of any patent rights, design trade mark or name or other protected rights in respect of execution of the contract.
34.0	INDEMNIFICATION OF BHEL : The Contractor shall insure all his personnel, tools and tackles, drawings etc. and shall also take a third party liability cover to indemnify BHEL of all liabilities such may come up due to any act or omission on the part of Contractor, his agent, representative, or sub-contractor(s) and cause harm/damage to other contractor / representatives of the owner / BHEL or all or anybody rendering service to the owner/BHEL or is connected with the owner's /BHEL's work in any manner whatsoever. The Contractor shall necessarily indemnify BHEL in all these respects and the indemnification and insurance policy shall be subject to approval of the owner / BHEL.
35.0	PREVENTION OF EXTRAORDINARY TRAFFIC AND PROTECTION OF HIGHWAY : The Contractor shall use every reasonable means to prevent any of the highways of bridges communicating with or on the routes to the Site from being damaged or injured by any traffic of the contractor or any or his sub-contractors and in particulars shall select routes, choose and use vehicles and restrict and distribute loads so that any such extraordinary traffic as will inevitably arise from the moving of Plant and material from and to the site shall be limited as far as reasonably possible and so that no damage or injury may be occasioned to such highways and bridges. Should it be found necessary for the Contractor to move one of more loads or construction plant machinery or reconstructed units or parts of units or work as applicable over part of a highway or bridge and that the moving of such load must in all probability damage the highway or bridge unless means of protection of strengthening are carried out then the contractor shall before moving the load on to such highway or bridge carryout such protection or strengthening at his own cost. If during the execution of the works or at any time thereafter BHEL or purchaser shall receive any claim arising out of the execution of the works in respect of damage or injury to highways or bridges, he shall immediately notify the same to the contractor and thereafter the contractor shall negotiate the settlement of and pay all sum due in respect of such claim and shall indemnify BHEL in respect thereof and in respect or all claims demands, cost charges and expenses in relation thereto.
36.0	MEMBERS OF STAFF ETC NOT PERSONALLY LIABLE: Neither any member of BHEL's staff nor the Engineer, nor the Engineer's representative shall be in any way personally liable for the acts or obligations under the contract or answerable for any default or omission on the part of BHEL in the observance or performance of any of the acts, matters, or things which are herein contained.
37.0	POWER TO VARY OR OMIT WORK
37.1	No alternations, amendments, omissions, additions, suspensions or variation of the work (hereinafter referred as "variations") under the contract shall be made by the contractor except as directed in writing by BHEL. But BHEL shall have full power, subject to the provision hereinafter contained from time to time during the execution of the contract by notice in writing to instruct the contractor to make such variation without prejudice to the contract and the contractor shall carry out such variations and be bound by the same conditions as far as applicable, as though the said variations occurred in the contract Documents.
37.2	If any suggested variations would in the opinion of the contractor, if carried out, prevent him from fulfilling any of his obligations or guarantee under the contract he shall notify BHEL thereof in writing and BHEL shall decide forthwith whether or not the same shall be carried out and if BHEL confirms his instruction, the contractor's obligations and guarantee shall be modified to such an extent as may be justified.
38.0	SUSPENSION OF WORK: BHEL reserves the right to suspend and reinstate execution of the whole or any part of the work without invalidating the provision of the contract. Orders for suspension or reinstatement of the work will be issued by BHEL to the contractor in writing. The time for completion of the work be extended for a period equal to duration of the suspension.

1.1.7	The above documents shall form one set of the Part –I tender. Bidders shall submit requisite sets of Part-I tender, i.e. original and duplicate sets as specified in the tender enquiry letter. All the sets shall be sealed and marked ‘Original Part – I tender’ and ‘Copies of Part – I tender’ on the respective sets and super scribed as : PART – I (TECNHO-COMMERCIAL PART). TENDER DOCUMENT NO. NAME OF WORK AND PROJECT DUE DATE OF SUBMISSION
1.2	PART – II (PRICE PART) shall include the following
1.2.1	Copy of the covering letter enclosed in Part-I tender.
1.2.2	Volume III – Price Schedule of item of work (in the rate /price column the rate / price figures should be entered in words as well as in figures).
1.2.3	Bidder shall submit requisite sets of Part-II tender duly sealed in one cover, superscribed as: PART – II (PRICE PART). TENDER DOCUMENT NO. NAME OF WORK AND PROJECT. DUE DATE OF SUBMISSION.
1.3	MAIN COVER
	Part – I and Part- II tenders as described above shall be enclosed in one main cover duly sealed and super scribed as: PART – III (TECNHO-COMMERCIAL PART AND PRICE PART). TENDER DOCUMENT NO. NAME OF WORK AND PROJECT. DUE DATE OF SUBMISSION.
2.0	OPENING OF TENDERS
2.1	Unless otherwise specified, techno-commercial bids will be opened on the due date for submission of offers (after 14-00 hrs on that date), for which bidders may depute representative.
2.2	Price bids of those bidders who qualify on the basis of pre-bid discussions, evaluation of techno commercial bids by BHEL etc, will be opened on specified date. BHEL’s decision in this regard is final & binding. While BHEL reserves the right to open the price bid (Cover-II) of the offers in camera, the date & time of price bid opening shall be intimated to the bidders, in case BHEL decides it to be ‘Public opening’ and in such a case, one representative of the bidder will be allowed to attend.
