WORKS ENGINEERING AND SERVICES DEPARTMENT**GENERAL TERMS AND CONDITIONS OF REVERSE AUCTION**

Against this Tender for the subject work with detailed scope of supply as per our specification, BHEL-JHANSI may resort to "ONLINE REVERSE AUCTION PROCEDURE" i.e. ONLINE BIDDING THROUGH A SERVICE PROVIDER). The philosophy followed for reverse auction shall be English Reverse (No ties).

- 1.0 BHEL reserves the right to go for Reverse Auction (RA) instead of opening the sealed envelope price bid, submitted by the bidder. This will be decided after techno-commercial evaluation. All bidders to give their acceptance for participation in RA. Non-acceptance to participate in RA may result in non-consideration of their bids, in case BHEL decides to go for RA.
- 2.0 In case BHEL decides to go for Reverse Auction, only those bidders who have given their acceptance to participate in RA will be allowed to participate in the Reverse Auction. Those bidders who have given their acceptance to participate in Reverse Auction will have to necessarily submit "Online sealed bid" in the Reverse Auction. Non-submission of "Online sealed bid" by the bidder will be considered as tampering of the tender process and will invite action by BHEL as per extant guidelines in vogue."
- 3.0 Only the Techno-commercially acceptable bidders shall be eligible to participate in the reverse auction.
- 4.0 In case BHEL decides to go for reverse auction, the H1 bidder (whose quote is highest in online sealed bid) may not be allowed to participate in further RA process.
- 5.0 In case the Reverse Auction fails or BHEL decides not to go for Reverse Auction procedure for this tender enquiry, the price bids submitted with offer shall be opened as per BHEL standard Practice.
- 6.0 If the Bidder or any of his representatives are found to be involved in Price manipulation / cartel formation of any kind, directly or indirectly by communicating with other bidders, action as per extant BHEL guidelines, shall be initiated by BHEL and the results of the RA scrapped/ aborted.
