GUIDELINES FOR DEALING WITH "DISCREPANCY IN WORDS & FIGURES-QUOTED IN TENDER"

In case of non-conformities/errors/discrepancy are observed between the quoted prices in the figures and that in words, following guidelines shall be followed:

- (a) If, in the price structure quoted for the required goods /service /works, there is discrepancy between the unit price (which is obtained by multiplying the unit price by the quantity), the unit prices shall prevail and the total price corrected accordingly. Unless in the opinion of the purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price corrected accordingly.
- (b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotal shall prevail and the total shall be corrected and
- (c) If there is a discrepancy between words and figure, the amount in words shall prevail unless the amount expressed in words is related to an arithmetic error, in which case the amount in figure shall prevail subject of (a) and (b) above.
- (d) If there is such discrepancy in an offer the same shall be conveyed to the bidder with target date up to which the bidder has to send his acceptance on above lines and if the bidder does not agree to the decision of the purchaser, the bid is liable to be ignored.

GENERAL TERMS AND CONDITIONS OF REVERSE AUCTION

Against this Tender for the subject work with detailed scope of supply as per our specification, BHEL-JHANSI may resort to "ONLINE REVERSE AUCTION PROCEDURE" i.e. ONLINE BIDDING (THROUGH A SERVICE PROVIDER). The philosophy followed for reverse auction shall be English Reverse (No ties).

- 1.0 BHEL reserves the right to go for Reverse Auction (RA) instead of opening the sealed envelope price bid, submitted by the bidder. This will be decided after techno-commercial evaluation. All bidders to give their acceptance for participation in RA. Non-acceptance to participate in RA may result in non-consideration of their bids, in case BHEL decides to go for RA.
- 2.0 In case BHEL decides to go for Reverse Auction, only those bidders who have given their acceptance to participate in RA will be allowed to participate in the Reverse Auction. Those bidders who have given their acceptance to participate in Reverse Auction will have to necessarily submit "Online sealed bid" in the Reverse Auction. Non-submission of "Online sealed bid" by the bidder will be considered as tampering of the tender process and will invite action by BHEL as per extant guidelines in vogue."
- 3.0 Only the Techno-commercially acceptable bidders shall be eligible to participate in the reverse auction.
- 4.0 In case BHEL decides to go for reverse auction, the H1 bidder (whose quote is highest in online sealed bid) may not be allowed to participate in further RA process.
- 5.0 In case the Reverse Auction fails or BHEL decides not to go for Reverse Auction procedure for this tender enquiry, the price bids submitted with offer shall be opened as per BHEL standard Practice.
- 6.0 If the Bidder or any of his representatives are found to be involved in Price manipulation / cartel formation of any kind, directly or indirectly by communicating with other bidders, action as per extant BHEL guidelines, shall be initiated by BHEL and the results of the RA scrapped/ aborted.
